About us

iDivineTech is a rapidly growing Business & IT Consulting, Outsourcing, and Technology Services provider, headquartered in Malaysia. We at I Divine Technology (iDivineTech), believe in providing professional and world-class innovative technology solutions. We work around the five i's (5i). The i's means INTERNET, INFORMATION, INNOVATION, INTEGRATION and INTELLIGENT.

Vision

“

To be a respectable ICT innovator, staffing solutions provider, security & distributing Leader in Malaysia and Asia.”

Mision

“

Engineer intelligent solution to meet customer's business challenges, provide professional and world-class service to our customers. ”

Engineering Practice

Our Engineering recruiters have years of practical industry experience and a track record of success in sourcing HIGH QUALITY engineering professionals across various industries.

Information Technology Practice

iDivineTech Practice cover a broad range from internal IT Infrastructure and Application needs to specific emerging technologies in the Software, Communications and Telecommunications industries.

Practice areas

Healthcare & Biotech Practice

iDivineTech Healthcare & Biotech practice look beyond the resume to find out which candidates have the right balance of hard skills, experience, education as well as soft skills, flexibility and overall motivation that will lead them to become valued long-term employee.

Executive Management Practice

iDivineTech recruiters are highly motivated and seasoned professionals with the business experience to deliver the top notch professionals for all your Core Business, Management and Executive level roles.

PERMANENT STAFFING SOLUTIONS

iDivineTech clients come from a variety of industries, including: the Software Development, Telecommunications, Government, Banking and others. These clients count on us to deliver the best Full-Time talent. Many candidates who usually respond to job advertisements do not meet the requirements of the position.

- **Tailor made HR Services**
- **Quality is our motto**
- **Time-bound services**
- **Less dependents on traditional sourcing**
- **Cost effective deal**
- **No hiring mistakes**

Services

CONTRACT STAFFING SOLUTIONS

Sometimes you have to pay high costs to get niche candidates or resources for shorter span. iDivineTech provides high quality contract solutions for your short term project needs. At iDivineTech, we consider your special needs and deliver quick services. We will always have at hand, an array of resources on various lines, who can jump start and take up your project. We cautiously choose engineers who are readily available.

- **A cost cutting solution**
- **Completion of project in a shorter period of time**
- **Find the right technical skills you need for your project**
- **Reducing your overhead costs**
- **Increased overall quality**
- **No learning curve required**

Why iDivine

iDivineTech consistently ranks in the top 10-15% of suppliers at our major customers. Our delivery model and recruiting technology are the main reasons for our success, and your relationship with iDivineTech is further differentiated by our:

- Dedicated account team structure
- Excellence in technology recruiting
- Established systems and processes
- Onsite, offsite, and offshore staffing

“
